

CPath::CurrentPath

```
graph LR; A[CPath::CurrentPath] --> B[CPath::CPath]
```

A diagram showing a pointer relationship. On the left, a gray rectangular box contains the text 'CPath::CurrentPath'. A blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text 'CPath::CPath'.

CPath::CPath
